Subject: FONUTAIN PINES BAPTIST CAMP WORKERS NEEDED

To: All Convention Pastors, District Moderators, Ministers, and Men of our Churches

The convention needs our help to help finish the work at the Fountain Pine Camp. President Tolbert has asked me to contact the men of our state convention to help coordinate some work at the camp.

Rev. Tom Hamilton and a few others are at the camp working all the time, but now, we can all pitch in to help put plywood up in each cabin and paint the plywood ceilings.

Please read this message to the men in your church, district association meetings to rally men to help with this job at the camp on Saturday February 11, 2012, starting at 8:00 a. m.

Pastor Hamilton will have the supplies we need to put up the plywood. We will help nail up 1 by 4 wood boards and attach the plywood. Bring your hammers and saws. Other material will be supplied.

Please have a designated person from your church to call me or Bro. Alfred Rachal at one of the numbers below to let us know how many men from your church can join us on the following dates:

2nd Saturday, February 11; 3rd Saturday, February 18; and the 4th Saturday, February 25

We hope to finish in February. If not, we will paint and finish in March. If you have men in your church who are not working and want to come on a week day to work on a cabin, that is okay too. Just let us know.

I want to thank all of you who have helped with the work at the camp already. We have come a long ways. Now, we are so close to finishing. Let's help the president, the convention, and others on the camp committee complete this work so the camp can open for business.
